### Need Help?

Because everyone's needs are different, the Full Spectrum team is always here to help.

You can contact our sales team at **702-802-3101** or email at [sales@fslaser.com](mailto:sales@fslaser.com) (<mailto:sales@fslaser.com>)

### PRODUCT OPTIONS

**Laser Tube**  
Upgrade your laser tube for more cutting power and longer life.

- Standard laser tube + \$0
- 90W Laser Tube + \$1,500
- 120W Laser Tube + \$3,000 [i](#)

**Rotary Attachment (P-Series)**  
Engrave round objects like bottles or wine glasses with a rotary attachment.

- No thanks + \$0
- Chuck Rotary Attachment + \$1,000 [i](#)
- Friction Rotary Attachment + \$1,000 [i](#)

**Focus Lens**  
Longer focus length lenses have longer depths of field allowing the laser beam to keep focus for deeper cuts. Short focus lenses produce smaller spot sizes for fine engraving.

- 1.5" Focus Lens + \$250 [i](#)
- 2" Focus Lens + \$250 [i](#)
- 5" Focus Lens + \$250 [i](#)

**Fumes/Air Handling Equipment**

When cutting or engraving materials that produce fumes, it is necessary to vent them outside with an exhaust fan or purchase an air purifier for indoors use.

- No thanks + \$0
- FSL Medium Fume Extractor + \$2,500 [?](#)
- FSL Large Fume Extractor + \$4,500 [?](#)

**Extended Warranty**

**Extended Warranty**

- 1 year standard (excluding consumables/shipping) + \$0
- 2 Year Extended Warranty (excluding consumables/shipping) + \$1,000

**Water Cooling**

Maintaining proper operating temperature of your laser tube is crucial for consistent cuts and longer life. We recommend the Advanced Refrigerated Water Chiller for superior performance in high demand usage.

- Radiator Water Chiller + \$600 [?](#)
- Advanced Refrigerated Water Chiller + \$1,200 [?](#)

**P-Series 36"x24" CO<sub>2</sub> Laser**

When you're looking at large cutting or engraving jobs, this large format laser provides you with the tools you need. The sturdy construction of this LF Series combined with the 36" x 24" (914 x 609 mm) engraving table provides you with an oversized work area to meet your needs on any project.
